Edulog Support Staff,

I am sending this letter to Thank everyone who I have been in contact with from Edulog since I started as Transportation Coordinator for Warwick School District. I have been very pleased right from the start, Edulog impressed me with their efficient, professional manner - an approach that not only inspired confidence, but generated the results from the Edulog routing software that Warwick School District was looking for.

Because of the support staff's years of experience and expertise, Edulog has been able to provide Warwick School District with a great routing system. From their customizable system to their helpful, knowledgeable, friendly staff, our experience with Edulog confirms to us that we've partnered with true leaders in the transportation industry.

Without a doubt future contact with the support staff will be very helpful and a valuable part of my task as a Transportation Coordinator.

Again, Warwick School District Thanks all of the Support Staff for the excellent quality service all of you provide.

Debra Weidler
