Edulog's Annual Conference is a must, and not because of its location! They provide a wide range of classes which enables you to choose what you would like to focus on. Their highly skilled instructors are the best of the best. They work hard to ensure you do not go back to your district with any unanswered questions. The ability to meet with other Edulog users from across the United States and Canada is a plus. There are plenty of opportunities to meet, share ideas, and network with each other. Edulog's annual conference is one of the best conferences available!

Debbie Parker  
Transportation Assistant  
Highland Local School District  
Medina, OH

## **Catherine L. Aukerman, Superintendent**

Neil W. Barnes
