## **Software Trainer**

### **WHY WORK WITH EDULOG?**

Work with talented, interesting and fun co-workers in a growing and dynamic company! EDULOG offers exciting opportunities to enhance your career in a custom software company. You will join teams that improve student transportation systems across the U.S. and internationally, most specifically by partnering with new and long-term customers whose relationships are key to EDULOG's success. If you are looking for a dynamic company in which to expand your knowledge and experience professional growth, consider EDULOG for a collaborative atmosphere where quality customer attention and your efforts are appreciated.

### **POSITION SUMMARY & OBJECTIVE**

Trainers operate in a team and are responsible for each aspect of internal and external training. This includes client consultation, conducting training needs analysis, and developing measurable objectives aligned with product development. EDULOG trainers champion a unique proprietary suite of software products and report to the company headquarters, location for the Training Manager and Client Services division. All Trainers are core contributors to the direct success of Education Logistics' Operations.

### **PRIMARY FUNCTIONS**

- Collaborate with colleagues, department heads and product/program managers in order to design and improve training materials
- Conduct instructor led and student centric training with current and new Edulog clients, both remotely and face-to-face (on-site) at business locations
- Conduct regular needs analysis pertaining to training and development
- Collaborate with software Implementation, Sales and Customer Experience teams for training initiatives at headquarters and conferences
- Recommend, learn and deliver effective instructional methods & technologies aimed at bringing the content to life for a variety of adult learners
- Respond to client software issues and trouble-shoot or refer basic software conflicts or technical problems to support teams
- Approximately 25% travel to various U.S. cities and client locations and reporting and submitting corresponding expense receipts

Education Logistics, Inc. is an equal opportunity employer.
