Training Specialist

WHY WORK WITH EDULOG?

Work with talented, interesting and fun co-workers in a growing and dynamic company! EDULOG offers exciting opportunities to enhance your career in a custom software company. You will join teams that improve student transportation systems across the U.S. and internationally, most specifically by partnering with new and long-term customers whose relationships are key to EDULOG's success. If you are looking for a dynamic company in which to expand your knowledge and experience professional growth, consider EDULOG for a collaborative atmosphere where quality customer attention and your efforts are appreciated.

POSITION SUMMARY & OBJECTIVE

The Training Specialist (Trainer) position fills an important client-facing and internal role for EDULOG. The Training Specialist will assist in the onboarding of team members and train new and existing clients. This includes client consultation, conducting training needs analysis, and developing measurable objectives aligned with product development. EDULOG trainers champion a unique proprietary suite of software products and are core contributors to the direct success of Education Logistics' Operations. You will have the opportunity to gain invaluable experience in the software industry while helping improve the student transportation system through our leading-edge technology.

PRIMARY FUNCTIONS

- Collaborate with colleagues, department heads and product/program managers in order to design and improve training materials.
- Conduct instructor led and student centric training with current and new Edulog clients, both remotely and face-to-face (on-site) at business locations.
- Conduct regular needs analysis pertaining to training and development.
- Collaborate with software Implementation, Sales and Customer Experience teams for training initiatives at headquarters and conferences.
- Recommend, learn, and deliver effective instructional methods and technologies aimed at bringing the content to life for a variety of adult learners.
- Develop training materials for assigned product training, which include training resource guides, slide presentations, training checklists, demo scripts, and other training curriculum as needed.
- Occasional travel to various U.S. cities and client locations.

Education Logistics, Inc. is an equal opportunity employer.
